CASES OF THE COLLINS METAL

(improved oroide).

Our superior Oroide Watches having been recently imitated, and worthless ones sold represented as our watches, we hereby caution the public against them and give notice that we are in no way responsible for these bogus concerns and only those purchasing directly from us can secure a genuine watch of our manufacture. We have recently greatly improved our oroide in appearance and durability, and, to protect the public from impositions hersafter, have named it in "Collins Metal," and we give notice that any one making use of this name will be prosecuted to the extent of the law. This metal has all the brilliancy and durability of gold and cannot be distinguished from it by the beat judges, retains it color till worn out, and is equal to gold excepting in intrinsic value. All our flentlement's Watches are full jewelled patent levers; those for ladies an improved exappement, befully quaranteed by special certificate. The \$15 watches are equal in neatness, style of finish and general appearance and for time to a gold one costing \$200. Chains of every style, from \$2 to \$6. Also Jeweiry of the Collins metal in every style.

Goods sent to any part of the United States by express, to be paid for on delivery.

Our only office is 37 and 39 Nassau street, opposite the Posteffice time statins.

As the business season approaches, we respectfully re-t our patrons to Inform us by telegraph or mail of their ided arrival. This slight trouble to them will eminently uce to their comfort.
